

**SAN JOSE REDEVELOPMENT AGENCY
STEPHEN'S MEATS DEMOLITION PROJECT
ADDENDUM # 2**

August 13, 2007

Notice is hereby given that the following revisions, additions, and/or deletions are made part of and incorporated into the Project Plans and Project Manual signed July 17, 2007 by the Director of Project Management of the San Jose Redevelopment Agency. This Addendum # 2 is issued to provide for modifications and clarifications to the contract documents. Bidders shall ascertain prior to submitting his/her proposal that he/she received all agenda issued.

In the event of a conflict between the terms and provisions of this Addendum # 2 and the terms and provisions of the contract document, the terms and provisions of this Addendum # 2 shall control. In all other respects, the contract document shall remain unchanged and in full force and effect.

A. DESCRIPTION OF CHANGES TO THE PROJECT MANUAL

1. On page 2 of Section 00100, Summary of Work and General Conditions, Part 2, 2.4, delete:

“The sign is to be carefully removed by the Contractor without damage and transported by Contractor in accordance with the Owner’s instructions.” and replace with:

“The sign is to remain in place.”

B. DESCRIPTION OF CHANGES TO PROJECT DRAWINGS

1. On Drawing D-2, Note 10, delete entirely and replace with:

“Protect neon sign (Stephen’s MEAT PRODUCTS, PURE PORK SAUSAGE). Sign to remain in place.”

C. QUESTIONS AND ANSWERS

Q: Is there an asbestos vapor barrier within or under the building’s concrete slab?

A: No. The building does not have an asbestos-containing vapor barrier.
